THE DIGITAL PLAYGROUND REQUIRES EXPERTISE. WE'VE GOT YOU COVERED...

So what exactly does hybrid mean? A hybrid event is a live event with in-person attendees and virtual attendees at the same time - usually with live streaming. It can be anything from a small board meeting, up to a huge conference. That's the beauty of a hybrid event: it allows more attendees to connect and share information across the globe. More people, but a smaller carbon footprint. It's a win-win.

- Plug-in Hybrid Event venue
- High-speed internet

What are you waiting for?

BETWEEN US

WWW.PENTAHOTELS.COM/BETWEENUS

YES, THERE IS SOMETHING GOING ON BETWEEN US...

Providing safe and clean environments for our guests and crew has always been a top priority for us – even more so today. Travel restrictions are in place and distancing rules mean that we have had to adapt how we hold large events. But that doesn't mean we can't still connect with our colleagues and peers.

And this is how we can make it work, between us.

BETWEEN US MEASURES

THE VIP ROCK STAR TREATMENT

Social distancing measures are in place to help you. From revised routes to comfortable spacing in the Pentalounge, we have taken care of it all. No more fans cornering you for an autograph, or band mates stealing your chips.

CARD IS KING, CASH IS OUT

You will agree that cleaning money is a bit tricky. That's why we decided to go cashless. Tap! – and your beer is on its way faster than it would have taken you to count the change.

CLEAN HARD, PLAY HARDER

Rooms and meeting spaces are deep cleaned after each stay, as usual. And now up to our even better standards. Your room is your space: no housekeeping is allowed in for the duration of your stay. Hand sanitiser is available throughout the hotel.

MEET IN STYLE

We're back and ready to hit the ground running! Our meeting spaces have been reimagined ensuring maximum safety without having to sacrifice that special touch that makes Penta unique.

APPETITE FOR EXCELLENCE

We're calling this the new normal, but don't worry - your coffee breaks, lunch and dinner options will still be next level. We're back and better than ever, ready to roll out the red carpet for your taste buds with amazing food and cocktail packages.

BRUSSELS HEALTH SAFETY LABEL

We are the first hotel ever to be awarded the new Brussels Health Safety Label! Developed by the authorities in collaboration with the international certification company SOCOTEC, this label rewards tourism and hospitality players that did the most to create a safe environment for returning guests.

NO ONE CAN WORK ON AN EMPTY STOMACH.

What business runs on an empty stomach? We certainly don't. That's why we use quality ingredients and offer a variety of options for your event. Hot or cold. Buffet or 3 course. If you like it fresh and local, you will love our coffee break, lunch, and dinner options.

And don't forget the drinks. We roll out the red carpet and give you plenty of space to unwind with our cocktail hour packages, so that you can socialise while social distancing.
